Holland Sports Juniors

A family club for the local community...

“Holland Sports Junior Football Club is run to provide competitive football for boys and girls from the age of 8 upwards.

There are currently 12 junior teams that play every Sunday in the Tandridge Youth League, including one U15 girl's team. We are a welcoming and friendly club with an emphasis on creating a family atmosphere where our children can learn their football through encouragement and good quality coaching.”

James Conroy, Junior Chairman

A strong emphasis on player development...

“Our focus is on our core values of Respect, Enjoyment, and Inclusivity. Our values ensure we provide a safe grassroots environment for our players to develop both as individuals and as young sports men and women.

We offer a challenging but supportive environment where children can learn from their mistakes without undue pressure and anxiety whilst also learning good behaviour and respect to others”

Mikey Dean, Head of Youth Development

Why sponsor at Holland Sports

We would be thrilled if you would consider the opportunity to join the Holland Sports family as a sponsor. As you see, we have **packages that offer various benefits at various price points**. The club is ideally positioned to provide great exposure to your business and we will do all that we can to help fulfil this. With **around 175 children** and their families at the club and with well used social media platforms the club has a great reach.

Our **home ground, Mill Lane, is located in a busy area** that is used by multiple sports clubs that includes the Holland Sports Athletics Club, 12 junior football teams, 3 adult football teams, 1 walking football team, multiple fitness groups, local Scouts Hut, and Coach Mikey's highly popular Soccer school that sees hundreds of boys and girls from the local community using the facilities all year round. Even when the sports clubs are not using the park it's busy throughout the day due to the very well-used Trim Trail. There is also a large footfall due to dog walking opportunities that stretches out into the neighbouring countryside that is accessed from the park. All this amounts to a **large exposure for your business**.

The Club Committee are committed and dedicated to building on the current success of the club and hopes to expand the club and its facilities to benefit the children and the local community. With this in mind, Holland Sports Junior Football Club is excited to offer a range of sponsorship opportunities to local businesses that would like to support us going forward while **taking advantage of the advertising and marketing opportunities available in this thriving community**.

It is vital for the future development and growth of Holland Sports to have sponsorship, it's a fact that without this injection of funds, we would not be able to exist as a community-focused football club. **Promoting local business and building long-lasting relationships is essential to our club** and we work hard to do this for the mutual benefit of both our club and your company.
